

SW-HF5.1 4500

125-Watt 6-piece Speakers

Experience a theater in your own home with the Genius SW-HF5.1 4500. With the SW-HF5.1 4500, you can experience booming explosions in movies from this solid and elegant speaker system.

SW-HF5.1 4500 has a 45-watt deep bass subwoofer with a 6.5" driver, and an individual center speaker bringing you excellent and clear middle sound range. SW-HF5.1 4500 is total 125watts. Each 16-watt front and rear speaker delivers perfect surround effects. It works great with a TV or DVD player, but is also suitable with a gaming device for vivid sound effects.

Set up your own theater and concert hall at home with the SW-HF5.1 4500 and enjoy great sound from music and movies with it. Just contact your salesperson how you can pick one up.
